

## Sponsorship of the first ever William Rankine Memorial Lecture

### Lectures to celebrate the life and legacy of William Rankine

This is a special event exploring the legacy and impact of the engineering powerhouse that was William Rankine on the bi centenary of his birth. It will include a series of high-profile speakers and attract global press interest. There will be up to 500 people attending including the Rankine 2020 conference delegates, members of the Institution of Engineers and Ship Builders in Scotland, IOR Scotland, ASHRAE Scotland and University of Glasgow students and alumni.

This international event will be a showcase for your organisation's commitment to engineering principles. Our partners include the International Institute of Refrigeration (representing 58 member countries), the Knowledge Center for Organic Rankine Cycle (a worldwide community of professionals dedicated to the promotion of ORC technology), Member of the Institute of Refrigeration and various worldwide RACHP societies.

The lectures will open the IIR International Rankine 2020 Conference – Advances in Cooling, Heating and Power Generation on Monday 27<sup>th</sup> July at the University of Glasgow where Rankine studied and taught.
