DIRECTIONS

We are located near to the A3(M), which runs from Portsmouth to Junction 10 of the M25.

Travelling from the South:

Head north on the A3(M) and exit at Junction 3. At the top of the slip road, turn left, taking the first exit from the roundabout above the Motorway. This takes you onto the B2150 (Hulbert Road). After 0.4 miles, go straight across the next roundabout (2nd exit - Hulbert Road). After a further 0.4 miles, you will arrive at another roundabout. Take the first exit (straight on) onto the A3 inner relief road. At the next roundabout (after 0.3 miles) take the 3rd exit onto the B2150 (Hambledon Road). After 0.4 miles, at the next roundabout, take the 1st exit (left) into Eletta Avenue. After 0.1 miles, at the next roundabout, take the 3rd exit (right) onto Waterberry Drive.

After 0.1 miles take the 2nd left into Westside View. Take the 2nd right (approximately 100 metres with cannon and flower beds) and you will enter the Hussar Court Estate. Drive straight ahead, parallel with a large building block to your left and, as the road makes its first gentle right hand turn, you will find Business Edge Limited located on the left hand end of the second main building block. You can park in the allocated spaces for our building and, if these are occupied, you can either double park behind our other vehicles or on any other vacant parking space on the Estate marked "CE".

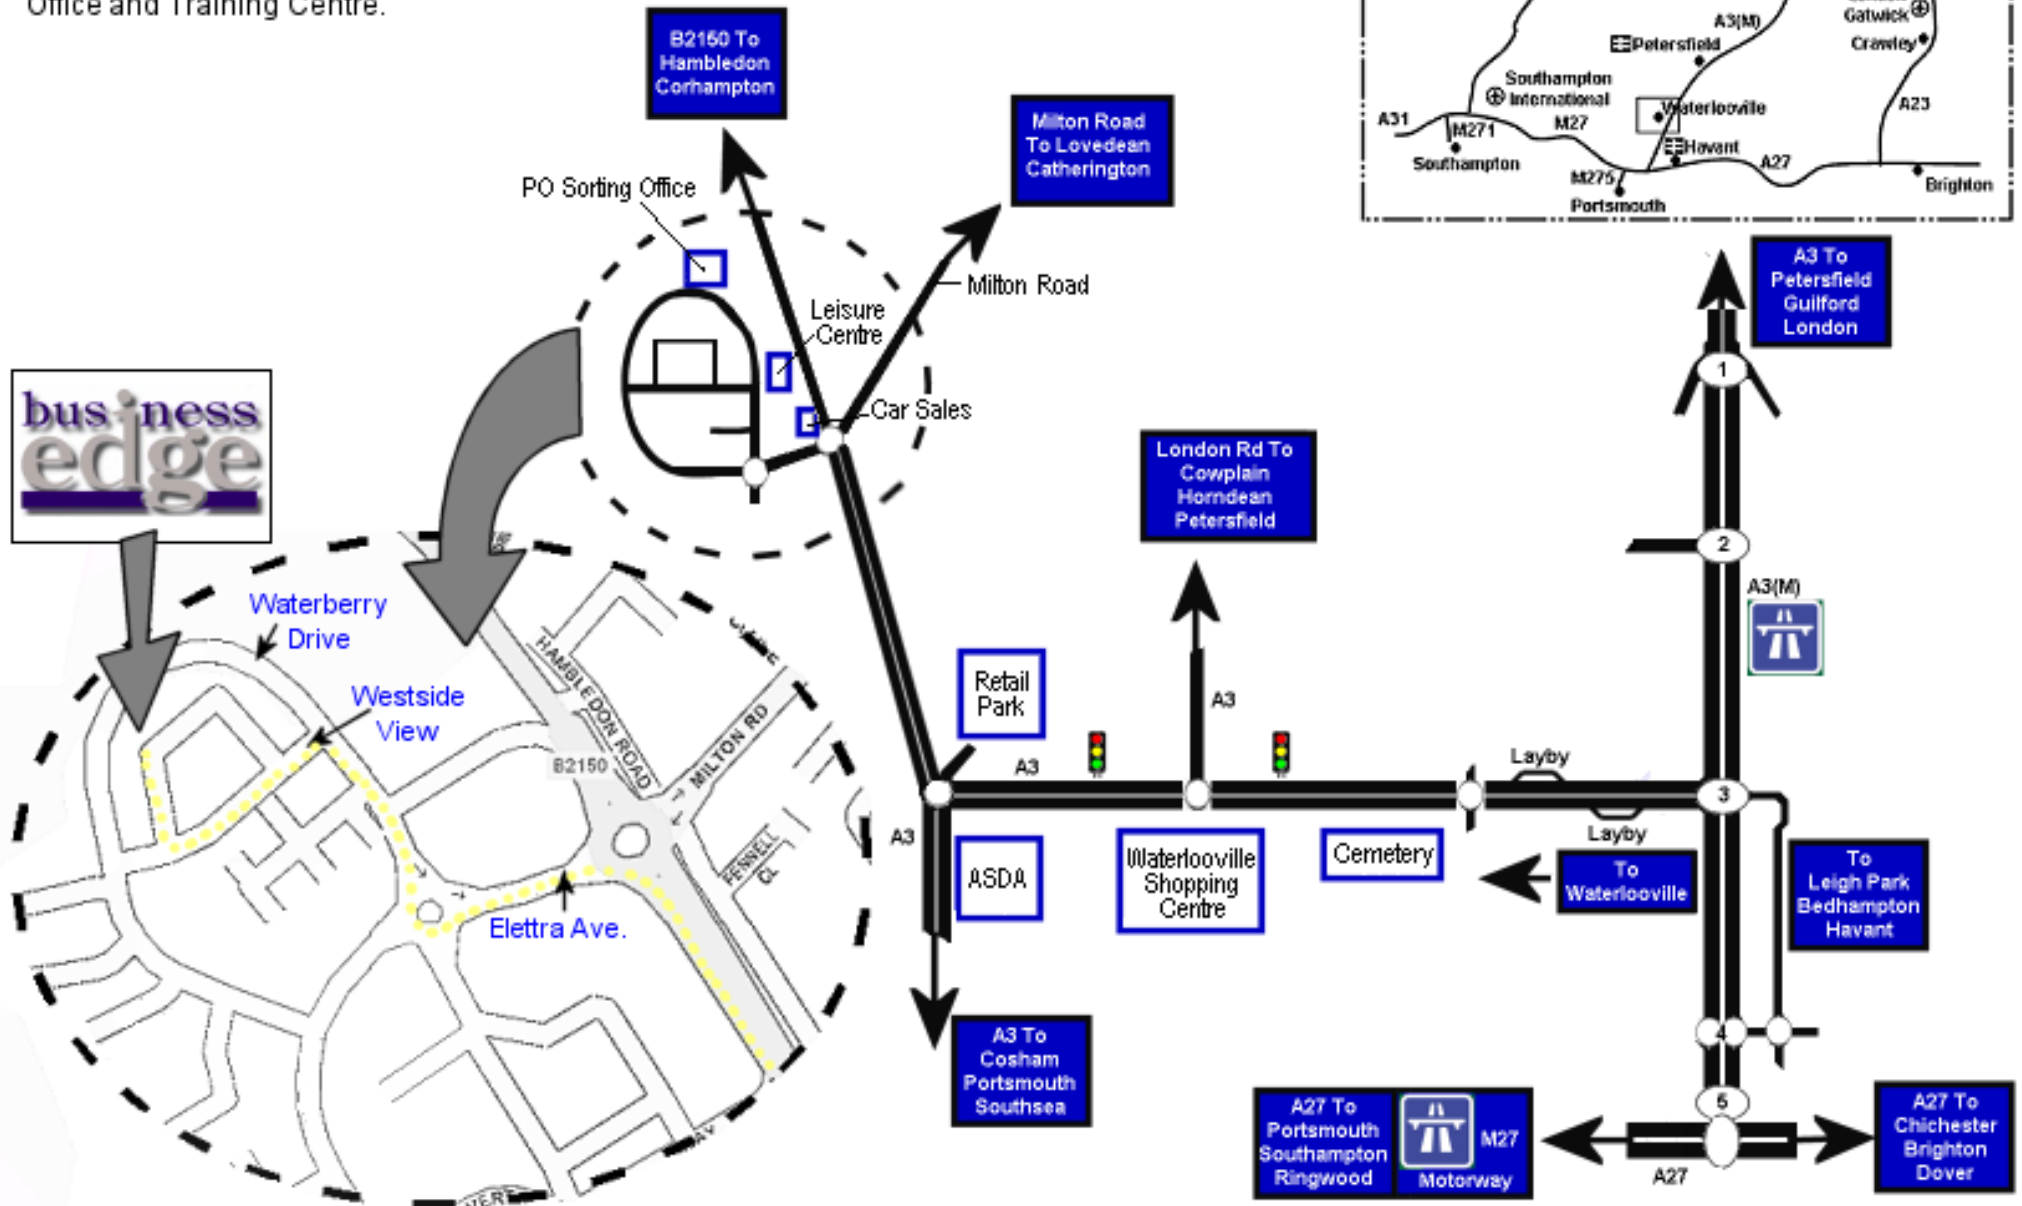

Travelling from the North:

Travel South on the A3(M) and exit at Junction 3. At the top of the slip road, turn right, taking the 3rd exit from the roundabout above the Motorway. This takes you onto the B2150 (Hulbert Road). Then follow directions as above.
